

Assumption Sweepstakes 2020

Our Lady of the Assumption Church

Assumption Academy

Our Lady of the Sacred Heart Academy

Instructions for Parents and Students

1. INTRODUCTION

Each family packet consists of:

- A letter of introduction from the Headmaster with information about the sweepstakes and about your family's fundraising goal
- 40 tickets per student
- Count sheets to record the quantity of tickets and the amount of money turned in
- Envelopes in which to place the Count Sheets, tickets and checks.
- "Take-Away" cards with a space to write the student's full name and grade
- Sheets of manual entry cards

Beef, Gun, and other raffle ticket rules are different than those of the sweepstakes. All checks/money from these raffles must be submitted separately to the church office or the cry room drop box.

2. "SELLING" TICKETS

Students will approach friends, family, and strangers, asking them for donations in exchange for an entry into the Assumption Sweepstakes. ***Remember, these are donations so the tickets are not "sold."***

Here are some examples of good sales-pitches for tickets:

Asking for a donation

“Would you like to make a donation to our school?”

“A \$10 donation automatically enters you into the Sweepstakes to win \$10,000.00.”

- The person wants a ticket
 1. Collect \$10 cash or check.
 2. Fill out the information on the ticket.
 3. Give the person the large portion of the ticket.
 4. Keep the ticket stub to turn in.

Barcodes on the tickets help us process the tickets as they are turned in. Please do not write on or cover the barcode or number.

- The person makes a donation but doesn't want a ticket

Collect the money and say, "Thank you!"

For every \$10 in donations received, write "AAD" on both the large portion and the ticket stub of one ticket; keep the ticket stub to turn in. (AAD = Assumption Academy Donation)

If you're offered less than \$10, keep track of the extra and write a "ADD" on a ticket once your extra cash adds up to \$10. Any change not adding up to \$10 may be turned in at the final rally. It will still go towards your fundraising goal – just mark it on your sheet.

- The person says "I'd love to but I have no cash."

Give the person one of the "Take Away" cards. Be sure a student's name is written in the space provided. Do not fill out or turn in a ticket.

- A person does not make a donation and wants a free entry.

Give the person a manual entry card. All of the information they need to request a free ticket is on the card.

3. TURNING IN TICKETS

A. Count Sheet: A single family count sheet must be filled out each time tickets are submitted. Tickets submitted without a count sheet will not be counted and will be returned to the family for resubmission.

Mark each student's name and grade on the count sheet and the total amount of ticket stubs submitted for that child. Multiply the total number of stubs by 10: this is your stub value.

For ticket donations made with a check, fill out the information on the count sheet, one check per line: use as many count sheets as necessary.

The parents will write a single check for the total cash donations of all children, and this check information will be placed on this sheet.

Be sure the total stub value on the sheet matches the total check amount.

Verify that the quantity of tickets written on the count sheet for each student matches the quantity of tickets submitted for that student.

B. Money: Do not submit cash with the tickets. All cash donations must be totaled by the parents who will write a single check to Assumption SSPX for the total amount of the cash for all students.

- Checks written by parents for this purpose may not be recorded as tax-deductible donations, as they are not personal donations from the parents. To ensure the proper accounting of donations, please write “NOT A DONATION” on the memo line of checks written to consolidate cash donations.
- If parents write a check for their own personal donation to the fundraiser, they may write “donation” in the memo line, as this would be tax-deductible. This personal donation check must be a separate check from the consolidation of cash check.

C. Envelope: Place each student’s ticket stubs in a small separate envelope- *no plastic bags please* - containing only his or her stubs and clearly mark the envelope with the student’s full name and grade at the time of the Kickoff. This will ID your child for code entry purposes.

Mark a small separate envelope “checks” followed by the family name (*ie, Checks - John Smith Family*), and place the count sheet, all donor checks, as well as the parent’s check for cash donations inside.

- Unmarked envelopes or checks will not be credited to the student or family.
- Any discrepancy between the quantity of tickets, the amount of money submitted, and the totals written on the count sheet will result in a delay in totaling and/or inaccurate totals.

D. Place each student’s envelope containing ticket stubs, now clearly marked with his/her name in a larger (manila 9x11) envelope. Place the check envelope in this larger envelope and then seal it. This envelope is then submitted to the church office or placed in the drop box in the cry room.

Please do not place sweepstakes check donations in the Sunday collection.

E. Tickets must be turned in to the office by 9 am the day before the rally for the student to be eligible for a prize at that rally.

D. Ticket fundraising will continue throughout the summer until the Wednesday before the Festival.

E. Students may choose to receive their prize at the Academy awards ceremony or choose to wait to sell more tickets and attain a higher prize awarded at the Festival Appreciation Dinner following the Festival.
